

**Ford Street Project, Inc.
DUI Program**

Ford Street's DUI Program handles First Offense DUI's only.

Programs offered:

Wet & Reckless, 3 Month, 6 Month & 9 Month.

If you are Court Ordered to complete a DUI Program you will need to have the "Order of Summary Probation" form available for your DUI Program enrollment appointment. This form will contain the program information the Court has sentenced you to complete.

If you are not Court Ordered to complete a DUI Program, you will need to obtain an "H6 DMV Printout" from DMV which outlines your DUI obligations and includes what program you are to enroll in.

You will need to schedule & attend an Enrollment Appointment prior to entry into a DUI Program. At this half hour appointment, you will receive your "DL107 Proof of Enrollment" certificate which enables you to obtain a Restricted Driver's License, if eligible per DMV.

We do not accept Personal Checks.

We do accept Money Orders, Visa & MasterCard.

If Cash is your only option, you will need to have the exact amount.
